- AQUACISE** - using the benefits of water resistance for a low impact cardio and muscle toning workout that can suit a wide range of abilities and user groups.
- AQUAJOG** - Burn calories while running in water, great low impact exercise using buoyancy belts.
- CIRCUITS** - designed to help with muscle tone, strength and cardiovascular fitness. This is traditional circuit training incorporating large compound bodyweight movements to build great all-round fitness.
- AQUA ZUMBA** - Is a classic aqua aerobics with Latin flavor added. You perform large muscle movements by reaching your arms and lifting your legs in the water, as well as circling your hips and shoulders
- CORE & ABS** - Targeting your midsection and glutes to help improve muscle tone around the midsection and posture.
- CLUBBERCISE** - It's all about having fun and dancing to great dance hits in an atmosphere unlike any other. Move to the beat and shake the glow sticks.
- FITNESS ACADEMY**- Cardiovascular, gym based exercise for 11-15 year olds with some supervised muscle tone work to add variation.
- KETTLEBELLS** - a full body workout using the Kettle Bells. Due to the full body nature of this class you will burn calories and get great muscle tone at the same time. Great class for anyone looking for improved muscle tone.
- ZUMBA** - Combine the calorie burning benefits of traditional aerobics with up to date fun dance moves and you have Zumba. Catering for every users ability it's already one of our most popular classes. Come and get fit and bring your Latin spirit with you.
- BOXERCISE** - Punch your way to fitness while working your whole body using boxing techniques. Great fun so you hardly notice how hard you're working!
- BODY SCULPTING** - Combines cardiovascular, stretching and strength-training exercises to help burn calories, increase flexibility and tone muscles all at once.
- BOLLYWOOD** - Indian dance fitness class to Bollywood music. Low impact, easy to follow, focuses on balance, range of movement and co-ordination to Bollywood music
- YOGALATES** - A mix of Pilates and Yoga designed to increase mobility, muscle, tone, flexibility and leave you feeling centred and calm.
- FITBALL PILATES** - Pilates and Fitball exercises help to transform the way your body looks, feels and performs.
- YOGA** - A physical and mental exercise using stretching and breathing to help improve posture and core stability while helping you relax and release stress.
- POUND** - Is a combination of cardio and weight training exercise approach that includes some of the rhythmic techniques used in Pilates... Colourful, lightweight drumsticks called ripstix add an element of fun.
