Exercise Class Programme

Opening Times

Monday - Friday - 07:00 - 21:30

Saturday & Sunday - 08:00 - 16:00

'live a great life!'

- AERO-BOX** - This is a medium to high intensity cardiovascular workout based on boxing and kickboxing techniques.
- CIRCUITS** - A wide range of exercises designed to help with muscle tone, strength and cardiovascular fitness. Varies every week to keep it fun.
- NEON FIT** - Dance your way fit with our aerobics sessions in the dark!
- CORE STABILITY** - A unique aerobic fitness class suitable for all levels of fitness. Includes circuits, games and the use of stability balls in order to target your legs, bum and tum. This is an ideal way in reducing back pain, improving posture and tightening the mid section with a specific set of exercises.
- CYCLE** - the calorie burner. A heart and lung workout set to music and workouts designed by the instructor. A great class for those looking for cardiovascular fitness and calorie burning.
- FITNESS ACADEMY** - Cardiovascular, gym based exercise for 11-15 year olds with some supervised muscle tone work to add variation.
- GROOVY MOVERS** - A gentle dancercise session aimed at the more mature adult.
- KETTLEBELL CIRCUITS** - kettlebell exercises to keep heart rate up and to tone up whole body. This will be short burst exercises with average weight kettlebell to work on tone.
- KETTLERCISE** - a full body workout using the Kettle Bells. Due to the full body nature of this class you will burn calories and get great muscle tone at the same time. Great class for anyone looking for improved muscle tone.
- PILATES** - A class combining stretching and strength work to improve posture and mobility on the muscles around the spine. Suitable for beginners.
- PiYo** - Combines muscle sculpting, core firming benefits of Pilates with strength and flexibility advantages of Yoga.
- GROOVE FX** - A stylised low impact aerobic workout that captures the essence of dance, combines it with fun and delivers real fitness results.
- ERS SESSION** - A supervised and programmed based fitness session specifically designed for those prescribed exercise from their GP!
