Kettlebells A workout with Kettlebells and body weight exercises in a small class setting. Slow grind Kettlebell lifts are meant to increase total body strength, muscular strength and stamina, as well as a focus like no other exercise.

Circuits Join us for a 'circuit' of short movements, repeated several times with a short period of rest inbetween. You only work each muscle area for a short time, but you keep your whole body working hard the whole way through.

Cycle Cycle is a high intensity exercise class on a stationary bike. It combines cardio and endurance in a 45 minute calorie crunching session!

Wellbeing Workout A class that incorporates mobility, toning, strength and stretching.

Sure Start Sure Start is for 0-5 years. This is a soft play session that takes place from 1-2pm every Thursday!

Football Session Fancy a Friday Football session? We have 2 different age groups for you to start perfecting your skills! (5-9yrs and 9-13yrs)

Ageless & Agile The way to improve your Monday's! (Ranging from nutritional advice, well-being advice, chats, cuppas and walks!)

Walking Group Make friends, as you walk and keep fit - all at your own pace. Suitable for all abilities.

Adult Multi Sports Various sports such as badminton, table-tennis, sports wall, basketball and new age curling!
