Kettlebells
A workout with Kettlebells and body weight exercises in a small class setting. Slow grind Kettlebell lifts are meant to increase total body strength, muscular strength and stamina, as well as a focus like no other exercise.

Circuits
Join us for a 'circuit' of short movements, repeated several times with a short period of rest in between. You only work each muscle area for a short time, but you keep your whole body working hard the whole way through.

Cycle
Cycle is a high intensity exercise class on a stationary bike. It combines cardio and endurance in a 45 minute calorie-crunching session!

Wellbeing Workout
Incorporating mobility, toning, strength and stretching in a 45 minute class

Sure Start
Sure Start is for 0-5 years. This is a soft play session that takes place from 1-2pm every Thursday!

Football Session
Fancy a Friday Football session? We have 2 different age groups for you to start perfecting your skills! (5-9yrs and 9-13yrs)
