46. Other considerations  
Magna Vitae has the authority to assign the benefit of a membership contract and collection of all fees to another operator, firm or company at any time without giving notice; membership will then continue with the new company. All Magna Vitae members must hold an MV card and agree to its conditions of use. Magna Vitae reserves the right to:

- Close any Magna Vitae fitness suite facility for a period of up to 7 days (in addition to Christmas Day, Boxing Day and New Years Day) without providing any form of refund/credit for this period. For essential maintenance to a facility and its equipment, every attempt will be made to provide appropriate advance notice, minimise disruption and inconvenience;

On revising the price of membership fees, at least ten (10) working days' notice of changes will be provided to you as per the direct debit mandate guarantee.

47. Direct debit membership payments

All direct debit collections shall be made monthly in advance and will be routinely collected on the first working day of the month. You will need to pay an amount (pro-rata) to cover your membership fee from the day you join until the first day of the following month. If you join after the 15th day of any month, you will need to pay for the rest of the current month, plus the whole of the following month before being permitted to use the facility.

MV operates a fourteen (14) day money back guarantee ("cooling off" period) to all new membership customers. All monies paid by the customer in respect of membership packages, will be refunded in full should the customer, for whatever reason, wish to terminate this agreement within fourteen (14) days of becoming a member.

Outside of the fourteen (14) day money back guarantee MV membership payments, fees and charges are non-refundable and non-transferable.

48. If you do not pay your membership fee when it is due

If you are paying a direct debit for another individual you will be responsible for all payments (including administration and default charges/fees) due for that particular membership.

If you have not cancelled in writing within the terms of your contract and then do not pay your membership fee when it is due we will contact you to request payment within seven (7) days.

When we contact you, you will be given the following options for making payments owed to Magna Vitae:

- Non-contracted memberships: Pay the failed collection amount over the telephone or at a MV facility within 7 days. One full calendar months' notice required for cancellation, to be provided in writing (email will suffice).
- Contracted memberships: Pay the failed collection amount over the telephone or at a MV facility immediately or pay the outstanding balance of your contracted term in full and confirm in writing you wish to end your contract at the end of this period. The membership contract period is 12 calendar months with one full calendar months' notice required for cancellation to be provided in writing (email will suffice).

Note: Cancelling your direct debit directly with your bank does not mean you have given us appropriate notice to end your membership. You MUST provide Magna Vitae with formal written notice (email will suffice) as per the instructions provided in these Terms & Conditions under the section entitled "Terminating Your Membership", section 51.

If you fail to respond to our correspondence and do not pay the arrears by cash or card within seven (7) days the following will happen:

- A payment default fee of £5.00 will be applied to your account.
- You will be prevented from using / accessing any MV leisure facility until your account is brought fully up to date; this does not mean that we will end your membership at this stage.
- If you fail to respond and do not pay the arrears by cash or card and your direct debit remains in force, MV will attempt to take the outstanding payment again the following month for the payment that you have missed, alongside the amount due for the current month.
- Should we be unable to collect the outstanding amount by direct debit, the full amount of debt, including the default fee, will be passed to our solicitors to commence legal proceedings and further associated charges will be applied.

49. WaterWise swimming lesson - memberships

Learning to swim is an extremely important life skill and MV therefore seeks to ensure that its swimming lesson programme is as accessible as possible. We do not ask those on our swimming lesson programme to enter into a contracted membership period. MV simply requires one (1) full calendar months' notice being given in writing to inform us of your membership cancellation.

In order to ensure that the swimming lesson fees we charge remain affordable please note that we charge a administration/joining fee when you register with our WaterWise swimming lesson programme.

Your agreement will begin on the day of the first swimming lesson. Monthly fees are payable even when you or your child do not attend the swimming lesson.

Magna Vitae reserves the right to change the programme at any time, this could mean a change in time, group, stage or teacher.

Upon completion of any learning stage, Magna Vitae cannot guarantee day, time or teacher to remain the same for the new group.

Parents/guardians/carers must be present with children up to the start time of the swimming lesson, and also present before the swimming lesson ends in order to collect their children. This takes into account the company's current supervision guidelines in force within the venue.

Children who are taken ill 48 hours prior to the swimming lesson commencing must seek advice from management at the centre. In this circumstance no refund will be issued if you do not attend.

Refunds will only be issued as a credit in special circumstances which may require receipt of written medical advice. Swimming lessons missed due to holidays, sickness, family events etc. cannot be carried over or refunded. In all circumstances the decision of the relevant Operations Manager will be based on the merit of the refund application and will be final.

Direct Debit payments are to be made monthly and Magna Vitae guarantee a minimum of 48 lessons per year. This allows for up to four (4) weeks where swimming lessons may be cancelled due to unforeseen circumstances, events, bank holidays and facility maintenance.

New swimming lesson promotions will not apply to existing WaterWise pupils.

Magna Vitae operates an enrolment / referral procedure i.e. current "learners" have priority over newcomers with regard to swimming lesson enrolment. Please note that entry/attendance on the swimming lesson programme will not be permitted if the membership account is in arrears for any reason.

50. Terminating your membership

In all circumstances you must cancel your membership in writing (email will suffice), addressed to the facility that you originally joined and marked for the attention of the Sales and Retention Manager if relating to fitness memberships, the Swimming Development Manager if relating to swimming lesson memberships or Duty Manager if relating to Gymnastic memberships.

You may end your contracted membership at any time in the following personal circumstances:

- A medical condition which means that you are no longer able to exercise or swim. NB: This is not applicable to Exercise Referral clients – unless another / a different health condition has been identified to that condition originally referred for;
- Loss of employment (i.e. redundancy);
- Relocating to a distance over 30 miles away from the facility; and
- Upon completion of Stage 6 of our WaterWise swimming lesson programme.

To end your membership for one of the reasons listed, you must provide written proof i.e. GP medical note - to state you can no longer exercise or letter from employer confirming termination of employment (i.e. redundancy,) or proof of new address details etc. On completion of your contracted membership period (this does not mean your membership has ended), you may cancel your membership. To do this we require you to give us one full calendar months' notice in writing i.e. if your written cancellation is received from 1st to the 30th April your final payment will be taken on the 1st day of May and your membership will therefore expire on the 31st May.

Failure to give us written notice will mean that your membership will continue to roll and payments will be taken until such a time you provide us with written notice. If you fail to pay then please refer to the section 'If You Do Not Pay Your Membership Fee When It Is Due' (under section 48) which explains the process we will take. MV reserves the right to terminate your membership agreement in the following circumstances:

- If you repeatedly break the displayed rules of use of the facility;
- One event deemed to be gross misconduct;
- If, with or without your knowledge or permission, another person uses your MV card to access the facility.

In the event of termination by MV, the customer will have no entitlement to any refund.

The terms of this agreement do not infringe upon any other legality enjoyed by the customer under the terms of any consumer legislation or Direct Debit Guarantee. Relevant UK law shall apply to all MV membership agreement contracts and the relevant courts of the UK shall have exclusive jurisdiction to deal with any disputes arising in relation to it.

51. Freezing Your Direct Debit

MV, at its own discretion, offers the opportunity for members to temporarily suspend or "freeze" their membership package and associated payment(s). You may suspend or freeze your membership for health reasons only. A membership can be "frozen" for any one month, in a twelve month period, on production of a GP's medical note stating that you are unable to exercise for a prolonged period of time. Any suspension or extension must be authorised by the relevant facility Operations Manager; the final decision on such matters rests at their discretion.

52. Bookings

Payment for any service, hire and/or Facility booking must be made in full prior to the time of booking. Fees are published and are subject to an uplift at the discretion of Magna Vitae. Please view our website or contact the Site to confirm prices.

There are five defined types of booking taken at Magna Vitae leisure facilities:

- Casual ad-hoc Bookings;
- Member Bookings
- Block Bookings;
- Courses (Wet and Dry); and
- Birthday Party, Event &/or Function Bookings.

Permission from a parent/guardian is required for anyone under the age of 16 years to use our online membership and booking services.

53. Casual ad-hoc bookings

MV Card holders may book 3 days in advance. Non MV Card holders may book 2 days in advance.

Telephone bookings are only accepted from current MV Card holders and payment must be made with a credit or debit card at the time

of booking. All customers will be issued with a receipt as proof of purchase at point of sale.

54. Casual Booking Cancellations

For all booking cancellations, where more than 48 hours' notice is given there will be no charge, however, if less than 48 hours' notice is provided the full charge will apply and no refund given.

Bookings can be cancelled in person, by telephone or e-mail from each site. If a prepaid booking is cancelled by Magna Vitae a full refund or financial credit will be given. In the event of a refund being requested the customer will be required to present the original receipt issued to them at point of sale

55. Block bookings

Block booking is available to sports clubs or formally constituted organisations who commit to a regular time and day. This is generally for a period of six (6) months or more. Please note, it is preferred that school swimming booking applications are invited to book for the full academic year September - July.

Generally, block bookings are made available within two specified block booking periods, these being:

- Period 1 - April to September
- Period 2 - October to March

Exception to this - outdoor swimming pool facility at Skegness. This will be subject to its seasonal availability.

Magna Vitae reserve the right to amend these periods at any time.

Any changes to the conditions for a block booking or managers discretion can only be authorised by an Operations Manager or member of the MV Senior Leadership Team.

In order to qualify for a block booking discount, bookings received must satisfy the following criteria:

- You are a School, Sports Club, Association or Organisation representing Affiliated Constituted Clubs i.e. a Local League. It does not apply to informal groups of people or commercial organisations;
- Book a minimum of ten (10) or more sessions.

The booking form will constitute a legally binding contract.

Any additional dates and times to the originally agreed block booking are to be treated as an additional separate booking where appropriate. Payment will be required in advance either by monthly invoice (authorised in advance by the Operations Manager) or at reception. Where a purchase order number is required for an invoice, the hirer must provide MV with this at the time of booking submission.

Groups to whom facilities are booked have exclusive use during their booked sessions i.e. exclusive use of court, not exclusive use of the entire sports hall. The area booked will be clearly referenced on the booking form.

56. Block Booking Cancellations

If a Club or Organisation wants to cancel one or more of their dates within the block booking period, the block booking discount will no longer be applicable resulting in the whole block booking period being withdrawn and the full price reinstated.

57. Courses

These are regulated, instructed, supervised activities and/or coached sessions.

Payment is required in full at the time of booking by either cash or direct debit (where appropriate).

Magna Vitae operates an enrolment / referral procedure

- Any customer taking part in a course organised by Magna Vitae must complete an appropriate enrolment form where required.
- Any courses set up by Magna Vitae will only run if there is sufficient demand: where a course is cancelled, an alternative course will be offered or a refund/credit given.
